INFORMATION DISCLOSURE STATEMENT

Sir:

In satisfaction of the duty of disclosure under 37 C.F.R. § 1.56, and in accordance with the provisions of 37 C.F.R. §§ 1.97 and 1.98, Applicants wish to draw the attention of the U.S. Patent and Trademark Office to the references cited on the accompanying substitute form for form PTO/SB/8A. Copies of references are provided, except for those references marked with an asterisk (*). These marked references were disclosed with Applicants' responses to the office actions dated November 23, 2001 and December 8, 2003. Therefore, no copies of these references are provided.

Nothing herein shall constitute an admission concerning the contents of any of the cited references, nor shall the inclusion of a reference herein be considered an admission that the reference constitutes prior art against the invention claimed in the above-identified application. Submission of the present document shall not be construed as an admission that a search has been made or that better art does not exist.

As far as is known to the undersigned, this Information Disclosure Statement is being filed before the mailing of a first office action on the merits following a Request for Continued Examination under 37 C.F.R. § 1.114, and therefore no fee is required.

While no fee is believed to be due, if this belief is in error, the Commissioner is authorized to charge any required fees, or credit any overpayment to Dorsey & Whitney LLP Deposit Account No. 50-2319 (Our Order No. A-68668 (465174-00312)).

Respectfully submitted,

DORSEY & WHITNEY LLP
